any irrevocable obligation to any person or organization except an approved applicant, and in the event the bank shall incur any costs, expenses, or liabilities, including any liability to the approved applicant, it shall be repaid and reimbursed by USAID in respect thereof.

Subpart I—Rights and Remedies of USAID, and Waiver Authority

§ 201.80 Purpose.

This subpart sets forth certain USAID rights and remedies against borrower/grantees and suppliers, and prescribes certain general provisions relating to the waiver by USAID of this part.

§ 201.81 Rights of USAID against borrower/grantees.

If any transaction financed hereunder violates the requirements of this part or any U.S. statute or any rule or regulation of USAID promulgated under any such statute, USAID may require the borrower/grantee to refund the amounts USAID determines are attributable to such violation and may exercise any right of acceleration or termination contained in the implementing document. The borrower/grantee shall be deemed to have agreed to make such refund or accelerated payment promptly upon request by USAID and shall be deemed to have consented to any modification of the implementing document determined by USAID to be necessary to reflect any such refund or acceleration.

§ 201.82 Rights of USAID against suppliers.

Without limiting the responsibility of the borrower/grantee or other parties, USAID may require an appropriate refund to it by a supplier under any transaction which violates the requirements of this part, whenever in USAID's opinion the failure of the supplier to comply with the rules and other requirements of this part has contributed to such violation. Any refund requested will include interest from the time of payment to the supplier. Interest will be charged at the

22 CFR Ch. II (4–1–05 Edition)

rate established by the Secretary of the Treasury in accordance with the Internal Revenue Code, 26 U.S.C. 6621(b).

§ 201.83 No waiver of alternative rights or remedies by USAID.

No right reserved to USAID in this subpart to seek a refund from a borrower/grantee, and no exercise of such right, whether or not successful, shall in any way limit or affect, under the doctrine of the election of remedies or otherwise, USAID's rights against a supplier under this subpart I or under the laws of the United States, or of any other country or political subdivision thereof, nor shall any right or remedy herein reserved to USAID against a supplier in any way derogate from or otherwise limit any other rights or remedies which may accrue to USAID under such laws.

§ 201.84 Limitation on period for making refund requests.

USAID will endeavor, but shall not be bound, to make any requests for refunds from a borrower/grantee within three years from the date of the last disbursement of USAID funds for the transaction to which such request relates.

§ 201.85 Legal effect of USAID approvals and decisions.

In any transaction subject to this part 201, USAID may reserve certain rights to approve the transaction for USAID-financing. USAID, in reserving any approval rights, acts solely as a financing entity to assure the proper use of United States Government funds. Any decision by USAID to exercise or refrain from exercising these approval rights shall be made as a financier and shall not be construed as making USAID a party to the contract or incurring any liability to the parties jointly or to any of them.

§ 201.86 Waiver and amendment authority.

USAID may waive, withdraw, or amend at any time any or all of the provisions of this part.

In consideration of the receipt of such sum, the supplier agrees with and certifies to A.I.D. as follows:

1. The undersigned is the supplier of the commodities or commodity-related services indicated in the Invoice-and-Contract Abstract on the reverse hereof, has complied with the applicable provisions of Regulation 1 (22 CFR Part 201), as in effect on the date hereof is entitled under said contract and under the applicable letter of credit, credit advice, or other payment instructions to payment of the sum claimed, and is executing this Certificate and Agreement to obtain such payment from A.I.D. funds.
2. On the basis of information from such sources as are available to the supplier upon reasonable investigation and to the best of its information and belief, the purchase price is not higher than the maximum price permitted under each of the applicable price rules of subpart G of A.I.D. Regulation 1.
3. The supplier will, upon request of A.I.D., promptly refund to A.I.D. any amount by which the purchase price exceeds the maximum price permitted under such provisions of subpart G of Regulation 1, plus interest from the time of payment to the supplier.
4. The supplier will, upon request of A.I.D., promptly make appropriate refund to A.I.D., plus interest from the time of payment to the supplier, in the event of

 - (b) any breach by it of any of its undertakings in this Certificate and Agreement, or
 - (c) any false certification or representation made by it in this Certificate and Agreement or in the Invoice-and-Contract Abstract on the reverse hereof.
5. The amount shown on the reverse hereof in block 9c is net of all trade discounts, whether in the form of payments, credits, or allowances by the supplier or its agent to or for the account of the importer, including quantity and prompt payment discounts allowed other customers under similar circumstances. The supplier will promptly pay to A.I.D. (Office of Financial Management, A.I.D., Washington, D. C. 20523-0209) any adjustment refunds, credits, or allowances which hereafter become payable to or for the account of the importer arising out of the terms of said contract or the customs of the trade.
6. The supplier has complied with the provisions of Section 201.65 of A.I.D. Regulation 1 and has not compensated any person to obtain said contract except to the extent, if any, indicated on the reverse hereof.
7. The supplier or its agent has not given or received and will not give or receive a side payment, "kickback", commission, or any other payment, credit, allowance or benefit of any kind in connection with the said contract or any transaction or series of transactions of which said contract is a part, other than those payments or benefits permitted under Section 201.65 of A.I.D. Regulation 1 and those referred to in paragraphs 1 and 5 above.
8. Any commodity supplied under said contract
 - (a) is accurately described on the reverse hereof and, unless otherwise authorized by A.I.D., is new and unused, is not rebuilt or reconditioned, does not contain any rebuilt or reconditioned components, and has not been disposed of as surplus by any government agency; and
 - (b) on the basis of information from such sources as are available to the supplier upon reasonable investigation, and to the best of its information and belief, meets the requirements of Section 201.11(b) of A.I.D. Regulation 1 as to source, country where mined, grown, or produced, and limitation on components.

9. If the supplier is the producer, manufacturer, or processor of the commodity, said contract is not a cost-plus-percentage-of-cost contract.

10. The supplier will for a period of not less than three (3) years after the date hereof maintain all business records and other documents which bear on its compliance with any of the undertakings and certifications herein and will, at any time requested by A.I.D., promptly make such records and documents available to A.I.D. for examination and promptly furnish to A.I.D. additional information in such form as A.I.D. may request concerning the purchase price, the cost to the supplier of the commodities and/or commodity-related services involved, and/or any other facts, data, or business records relating to the supplier's compliance with its undertakings and certifications in this certificate and agreement.

11. The supplier has complied with the provisions contained and referred to in subpart D of A.I.D. Regulation 1.

SUPPLIER'S CERTIFICATIONS

As a condition for securing a determination of commodity eligibility for funds made available by the United States under the Foreign Assistance Act of 1961, as amended, in payment in whole or in part in the transaction described and for the commodity identified on this form, the undersigned, acting on behalf of the supplier whose name appears in block 5 above and authorized to bind the supplier, agrees with and certifies to A.I.D. as follows:

1. The supplier has contracted with the importer named in block 6 for the purchase of the commodity described on this form, and the supplier has either attached to this form a copy of such contract or has furnished in block 2 information concerning a letter of credit confirmed or advised in its favor under a payment obligation assumed by the importer in the contract.

2. The supplier has filled in the applicable portions of this form and certifies to the correctness of the information shown herein.

3. The supplier agrees that the commodity will be shipped and invoiced in accordance with the information shown herein; that if any change in commodity identification takes place after A.I.D. has approved this transaction, the supplier will resubmit this form to A.I.D. for review and further approval for financing in light of the changed commodity; and that this Commodity Approval Application which the supplier proposes to use as a basis for securing payment from A.I.D. funds, is in every respect the original or true copy of the original application approved by A.I.D. The supplier acknowledges that any commodity, other than a commodity described on this form by the supplier and approved by A.I.D. below, is ineligible for A.I.D. financing with respect to the purchase transaction for which this form must be submitted as a condition for payment.

4. The supplier certifies that it is an individual citizen or lawfully admitted permanent resident of a country included in the authorized

source code; a corporation or partnership organized under the laws of a country included in the authorized source code and with a place of business in such country; or a controlled foreign corporation (within the meaning of § 957 et seq. of the Internal Revenue Code) as attested by current information on file with the Internal Revenue Service of the United States (on IRS Form 959, 2952, 3646, or any substitute or successor forms) submitted by shareholders of the corporation, or a joint venture or unincorporated association consisting entirely of individuals, corporations or partnerships which fit any of the foregoing categories. If the supplier is a controlled foreign corporation without a regular place of business in the United States, the supplier appoints any shareholder or officer thereof agent for the supplier to receive service of process in the United States in connection with any dispute arising between the supplier and A.I.D. and relating to the commodity sale financed by A.I.D.

5. The supplier has not, at the time of submission of this application, been debarred or suspended by A.I.D. or placed on the "Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs," published by the General Services Administration, or the Treasury Department's "Consolidated List of Designated Nationals," and thereby rendered ineligible to receive A.I.D. funds. To the best of its knowledge upon reasonable investigation, the supplier has not acquired, nor will it acquire, for resale under A.I.D. financing the goods described on this form from any supplier included on the "Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs," or included on the Treasury "Consolidated List of Designated Nationals" or from any affiliate of such a person.

A.I.D. APPROVAL

By the signature and seal which appear below, A.I.D. has given limited approval to the sale described on this form. This approval is limited strictly to a determination that the commodity which the supplier has described is of a description, condition, and source eligible for A.I.D. financing. This approval and determination of commodity eligibility do not represent an approval of the purchase price and do not in any way preclude an A.I.D. refund claim based

upon a detailed post-audit of the transaction in accordance with the provisions of A.I.D. Regulation 1 (22 CFR Part 201). A.I.D. expressly reserves such rights as it may have under that Regulation and under such other A.I.D. forms as the supplier may be required to submit by the terms of financing documents and by the terms of Regulation 1.

Requirement for Payment. Section 201.11(k) of A.I.D. Regulation 1 declares that a commodity purchase transaction is eligible for A.I.D. financing only if A.I.D. provides a determination of the commodity eligibility on the Commodity Approval Application. Section 201.52(a)(8) of the Regulation states that to secure payment a supplier must submit the signed original of this form, countersigned by A.I.D. As appropriate, a reproduced copy of the validated form, certified as provided in the second paragraph following, is required with each subsequent claim for partial shipments made under the original validated form AID-11. To secure A.I.D. approval, a supplier must submit the signed and properly executed original and one copy of the form, addressed to the Agency for International Development, Office of Procurement, Washington, D. C. 20523-1412. A.I.D. will indicate its approval in Block 18 of the form if the form is properly executed and if A.I.D. has no objection to financing the described commodity. If A.I.D. refuses approval, the Agency will return the form to the supplier with an explanation for refusal. In either case, an identification number will be assigned by A.I.D. In the upper right-hand corner of the form. Any follow-up correspondence between the supplier and A.I.D. should refer to this number.

Partial Shipments. In the event a supplier expects to make more

than one shipment under a single contract, letter of credit, or collection document, it may either submit a separate form AID-11 covering each shipment, or submit a single form AID-11 covering the entire contract. In the latter case, the original AID-approved form will be presented to the paying bank with the supplier's first request for payment and a reproduced copy of the approved form, properly certified in Block 18, will be presented with each request for payment for subsequent partial shipments. See detailed instructions for Block 8.

Duration of A.I.D. Approval. A.I.D. approval remains valid for 6 months as evidenced by the expiration date entered by A.I.D. in Block 17. If the letter of credit is valid for a longer period, upon request from the supplier and submission of a copy of the letter of credit, A.I.D. will provide an approved expiration date corresponding to the expiration date of the letter of credit. If the A.I.D. approval expires prior to delivery, the supplier must reapply for approval, making reference to the transaction number assigned by A.I.D.

Timing of Submission. Under letter of credit financing the application should be submitted subsequent to receiving confirmation or advice of credit, but prior to shipment. The form may, however, be submitted prior to receipt of such credit provided that an original or true copy of the purchase contract accompanies the application. Under any other method of financing, the application will be submitted following receipt of instructions that the transaction is to be A.I.D.-financed and must be accompanied by an original or true copy of the contract with the Importer. The form should not be submitted prior to the time supplier is able to furnish all required information in Blocks 12 through 15.

Language. Every commodity description which appears on the form must be stated in English. If a supplier furnishes as an attachment to this form a contract in a language other than English, an English translation of the commodity description must also be furnished.

Completeness. All numbered Blocks MUST be fully and appropriately completed. If the application contains incomplete blocks, it will NOT be processed but will be returned for completion.

Obtaining Forms. Forms may be obtained in limited quantities from banks holding A.I.D. letters of commitment, field offices of the Department of Commerce, the A.I.D. office in the supplier's country, or the Resources Management Division, Agency for International Development, Washington, D. C. 20523-1410. A supplier may reproduce the form provided the reproduction is identical with the original copy in every respect, including size, color, and format. A supplier may overprint its name and address in Block 5.

INSTRUCTIONS RELATING TO SPECIFIC ITEMS

BLOCK 1: Enter the letter of commitment number. If not available, enter the loan or grant agreement number. A.I.D. cannot act on an application unless one of these numbers is provided.

BLOCK 2: Indicate the method of financing. If by letter of credit, enter the letter of credit number assigned by the U.S. bank, the date the bank issued, advised, or confirmed the letter of credit, and the name and address of the bank concerned. If the application is submitted prior to receipt of this information, enter the words "Firm contract" and attach a copy of the contract.

If the transaction is not to be financed by letter of credit, enter the applicable payment terms (e.g., sight draft collection, open account) and attach a copy of the contract.

BLOCK 3: The importer should provide the supplier with this information. Generally the import license number appears on the letter of credit. If the information is not known or is not available at the time of submission of the application, enter "Unknown." (In some cases it may be necessary for A.I.D. to require this information before approving the application.)

Enter "N/A" (not applicable) if the Importer has not been required by its government to secure an import license.

BLOCK 4: Check the appropriate box to indicate the supplier's relationship to a country or area in the authorized source code. This information relates to certification 4 in block 16. If "Other" is checked, furnish explanation of relationship in block 15.

BLOCK 5: Enter name and address. Please center the information in order to permit A.I.D. to use a window envelope in returning the form.

BLOCK 7: Enter the total purchase price, i.e., the total remuneration (in whatever currency and whether to be paid directly to the supplier or in whole or in part to a designee of the supplier) to be received under the contract. Enter contract date or date pro forma invoice was accepted.

AID 11 (6-90)

BLOCK 8: (a) Check the appropriate box to indicate whether the supplier expects to make partial shipments. If "yes" and a separate application form will be submitted for each partial shipment, enter the value of the shipment to which this application relates. If only one application form will be submitted to cover all partial shipments, omit the dollar value.

(b) Enter the proposed loading port. If only the range of ports is known, enter the range of ports; e.g., North Atlantic, South Atlantic, Gulf, Pacific, Great Lakes. If expected that partial shipments will be made, but only one application form is to be submitted, entries under (b) and (c) will relate to the first shipment only.

(c) Enter the proposed destination port.

(d) Enter the month in which it is expected shipment will be made. In the case of partial shipments, indicate the estimated first and last months of shipments: e.g., April-September.

BLOCKS 9 and 10: Enter the U.S. Department of Commerce Schedule B 10-digit code in block 9 and describe the commodity in block 10, giving size, quantity, and a clear word description of the commodity, including any special formula or other distinguishing characteristics, such as substandard quality (e.g., reject, imperfect, second) which will help to identify it.

If the contract or letter of credit identifies the commodity by other than Schedule B code (e.g., importing country tariff classification), this identification should be furnished as part of the commodity description.

If the commodity description varies significantly within the same Schedule B Code, separate entries must be furnished for each commodity.

BLOCK 11: Enter the unit and unit price for the commodity on an FAS or FOB basis for the loading port specified in block 8.(b). For other delivery terms, enter a constructive price FAS or FOB vessel; i.e., subtract from a C&F or CIF price estimated ocean freight and marine insurance, or add to an inland price (e.g., ex plant, FOB rail cars (named point)) the estimated inland freight and accessorial costs necessary to place the commodity in the custody of the ocean carrier.

If the supplier is unable to compute a unit price FAS or FOB vessel, the unit price of the commodity may be shown on the basis of the inland price with estimated inland freight cost, if available, footnoted in an explanatory entry in block 15.

SPECIAL INSTRUCTIONS--MULTIPLE ITEMS: If the shipment (or contract) is made up of commodities bearing differing Schedule B codes, or if the commodity description varies significantly within the same Schedule B code, separate entries must be furnished for each code or description. When there are six or more items to be listed in blocks 9 through 11, a signed and dated accepted contract, order, invoice, or other separate listing of the information may be attached to the original and copy of the form AID 11, provided the full 10-digit Schedule B code, complete and accurate description of the commodity, and FAS or FOB vessel unit price are shown for each. If the information required by Blocks 12 through 14 is not common to all commodities listed, appropriate information related to each such commodity is also required to be shown either on the attachment or in the blocks 12 through 14 and related to the appropriate line of the attachment. If an attachment is used in lieu of entry of the information on form AID-11, complete blocks 9-11 inclusive, and 12-14 inclusive (when applicable) by entering the words "See attachment."

SPECIAL INSTRUCTIONS--BLOCKS 12 through 14: If more than one commodity is listed in block 9, provide information required by blocks 12 through 14 on separate lines in those blocks, identified to the corresponding line on which the commodity is listed in block 9. For example, information concerning a commodity listed on line (c) in block 9 would be identified as line (c) in block 12 through 14. When only one form AID-11 is submitted, information in these blocks should be descriptive of the total contract. If a separate form

OMB No. 0412-0004
Expiration Date: 5/31/93

AID-11 is submitted for each shipment under the contract, the information in these blocks should cover only that single shipment.

BLOCK 12: Enter check mark in the appropriate box to indicate the condition of the commodity. If the commodity is other than new and unused, describe the condition in the space below or in block 15. For this purpose, any commodity declared surplus by the U. S. Government agency and any commodity which has been rebuilt or reconditioned or contains components which have been rebuilt or reconditioned are not considered as "unused."

BLOCK 13: See § 201.11(b)(4) of A.I.D. Regulation 1 for countries and areas included in geographic code numbers.

(a) Enter in block 13(a) the authorized geographic source area stated in the letter of credit or A.I.D. direct letter of commitment.

(b) Enter in block 13(b) the country from which the commodity will be shipped to the importer. If the commodity will be shipped from a free port or bonded warehouse, indicate this fact in block 16 and give location.

(c) Enter in block 13(c) the country in which the commodity has been or will be mined, grown, or produced through manufacturing, processing or assembly.

BLOCK 14: (a) Enter in block 14(a) "Yes" if the commodity includes components imported into the country of production from a country not included in the authorized geographic source area indicated in block 13(a). If such components are not included, enter "no."

(b) If block 14(a) "Yes," identify in block 14b each country from which components were imported into the country of production.

(c) In block 14(c), enter the total cost, within each unit of the finished product, attributable to components imported from each country indicated in blocks 14(b). If the suppliers unable to furnish the information required by block 14(b) and 14(c) at the time of submission of the application and no componentry percentage other than the 50 percent set forth in § 201.11(b)(2)(i)(b) of A.I.D. Regulation 1 has been authorized for the commodity, A.I.D. will accept a statement in these blocks or in block 15 that (1) the commodity contains no components from other than "free world" countries, and (2) the total cost of components imported into the country of production from other than countries included in the authorized geographic source code (or the cooperating country itself whenever Code 941 is authorized) per unit of finished commodity is no more than 50 percent of the lowest selling price per unit at which the supplier makes the commodity available for export. If A.I.D. has authorized a percentage of such components other than 50 percent, the supplier should state such other higher or lower modification of the percentage rule, with a citation to the pertinent modification, and the actual percentage of such components in the product, or an affirmation that the percentage of such components is not in excess of the percentage allowed by A.I.D. The supplier should thereafter be prepared to demonstrate the accuracy of these statements upon the request of A.I.D.

BLOCK 15: This block may be used to furnish explanation or additional information in connection with any entries on the form. Identify block (and line, as appropriate) to which entry relates.

BLOCK 16: The supplier, or its authorized representative, must manually sign this certification, showing name, title and date signed.

BLOCK 17: For A.I.D. use. Note that A.I.D. approval is not valid for deliveries on and after the expiration date shown in this block.

BLOCK 18: If reproduced copies of this original form are presented with the supplier's request for payment (see fifth paragraph of General Instructions), the supplier or its authorized representative must manually sign this certification in block 18 of the reproduced form, showing name, title and the date signed.
